

# Wildlife In Need Center

## Graphic Design Intern

The Wildlife In Need Center is looking for an enthusiastic, creative, and motivated individual that can be a team player and promote the Wildlife In Need Center's mission through graphic design and if possible website updates. We are searching for an intern that is looking to gain experience in graphic design as well as excelling in professional skills. You will have the ability to create your own schedule around WINC's hours and as agreed upon in advance.

## Responsibilities

- Create an invitations, signage, flyers and other print material
- Branded mailing campaign print material
- If time permits, create social media ads that promote the mission and vision WINC
- Utilize WINC brand colors

## Requirements

- Laptop computer and Adobe Creative Suite software or similar program
- Working knowledge of In-Design and ability to work independently on brochure updates, newsletter updates, and create new invitations
- Knowledge of WordPress is a plus. Some guidance can be provided for website updates ([helpingwildlife.org](http://helpingwildlife.org))
- Knowledge of digital photography is a plus
- Working knowledge of HTML and Adobe Creative Suite: Photoshop or similar programs
- Ability to meet deadlines
- Must be 19 years or older
- Must be proactive, organized, able to create content independently and demonstrate strong communication skills

## Apply

Serious and qualified candidate applicants only, send professional resume, any questions and provide 1-2 samples of work to Kim Banach, Board President [kbanach@helpingwildlife.org](mailto:kbanach@helpingwildlife.org)
