

Dear Baby Bird Feeder Volunteer:

Thank you for your interest in the Baby Bird Feeder (BBF) program at the Wildlife in Need Center. If you would like to volunteer in 2023:

- People 12-14 years old - please email volunteer@helpingwildlife.org to set up a brief pre-training phone or Zoom™ interview. Communication for scheduling of the interview will be through email. After successful completion of the interview, you will be scheduled for an orientation.
- People 15+ years - please RSVP (with your name and phone number) by calling (262)965-3090 to sign up for an orientation.

We have 3 orientation classes scheduled. All volunteers, including past experienced BBF's, must attend 1 of the classes. Volunteers in this program must be 12 years of age or older. Volunteers ages 12-14 must be accompanied by an adult.

Please fill out an **Adult and Minor Baby Bird Feeding Application/Release Form** (which includes an Emergency Contact and Shift Availability Form), even if you have filled one out in previous years. We do ask for updated information each year.

****Please bring completed forms to your orientation class.**

Our Baby Bird Feeders do such a wonderful job raising hundreds of young birds every year – we couldn't do it without them! Please feel free to tell your friends about our volunteer program, additional information is available on our website at www.helpingwildlife.org.

We look forward to seeing you!
