## “Pay it Forward”

We ask that approved applicants “pay it forward” to wildlife. The main goal is for organizations to take an active part in fostering the environment. Recipients of this fund will be requested to provide:

1. A brief summary report to WINC that includes how the service project was completed, any roadblocks and/or unforeseen outcomes, and the age and number of the people that participated, etc.
2. Photographs of the service project being completed

Feel free to contact us to help brainstorm ideas on how to “pay it forward”.

**Please describe here how your organization plans to “pay it forward” and projected completion date:**
